Lalbagh Road,

My dear Sir Bangalore, 12th March 1913.

I am much obliged for your telegram of the 8th instant regarding Thottadri Swamy's visit. The Swamy arrived here on Friday and was conducted in procession to Tolsi Thottam. - - Almost all important officers and prominent citizens attended and vaishnavites in the City and Cantonment mustered strong. On the next day Ramanuja's birth day was celebrated with the usual ceremony and feeding of Brahmins. In the evening the Swamy gave a discourse on the teachings of Ramanuja. The - - matters which were most agreeable to me - and which, I am - - sure, will interest you - were that, contrary to mamool, special arrangements were made for feeding the poor of the lower castes, and that members of the depressed classes, were accorded the privilege of taking part in the ceremonies along with the higher castes. Another feature was that Tengalies and Vadagalies fraternised and each vied with the other in showing a tendency to bury their hatchet of discord of centuries. These are hopeful signs.

As I hinted to you previously, there was great manifestation of feeling that due honours were not accorded to Swamy. Much resentment was evinced in consideration of the facts - - that, on the occasion of the formal visit of a previous Swamy of this Mutt in 1850, great honours and respect were shown by His Highness the late Krishna Raja Woodyar and that, in this important Hindu State, the consideration shown to this Mutt

of

NOTE—Contn. sheet.

of great antiquity and sanctity should not be less than - - what was shown in States like Travancore and Cochin. Puttanna Chetty and myself did our best to allay public feeling and I, in a way, made use of the contents of your telegram by mentioning that owing to the rare visit of the Head of this Mutt to these parts, sufficient information was not available to the authorities as to the position of the Mutt and that there was no time for a reconsideration of the - - orders. I am glad that wiser counsels prevailed in the end and suggestions of public meeting, protests, &c. were abandoned.

I hear that the Cantonment people propose to take the Swamy to that place, and in this connection, I understand that a deputation consisting of prominent citizens both - - from City and Cantonment, intend waiting on you to represent matters.

I fear I have trespassed on your time a good deal in connection with this affair, but as His Highness the Maharaja and yourself are away at Ootacamund, I have thought it best to keep you informed of what transpires here.

With best regards

Yours sincerely

C Sreenivasa Sastry

No 20 & 18-5-13

My dear Sir,

~~Dear Mr. Iyengar~~,

A deputation from the disciples of the Swamigalu of the Sri Vanamamalai mutt now at Bangalore met me Yesterday by appointment, to ~~discuss the~~ represent that honors might be shown to the Swamigalu by the Govt. higher You are perhaps aware that according to the order of September 1909 (a printed Copy of which I herein enclose) this mutt and the Ahobal mutt are with some others placed third in order as regards the amount to be Sanctioned by Govt for the State Bhiksha. The disciples of the mutt

contend that the Swamis should be shown the same honors that are shown to the Swamigalu of a first class mutt, viz, the Sringeri mutt.

(2) Though it is not laid down in the order of 1909, referred to above, ~~I understand it is usual~~ it may in proper cases be desirable to send a detachment of our local troops to escort the gurus of ~~Sri~~ important mutts. ~~Ettowary~~ ~~this precedent~~ (the Swamigalu of the Vanamamale mutt was escorted by Sowcar Silledars when he formally entered Bangalore and a set of Bandsmen was also ordered to be in attendance, while the Murzai Supdt. the Dy Commr, Municipal President, the Supdt of Police accordingly under this order.

and the principal resident of the City were all required to receive the Swamigalu and Conduct him in procession through the main Streets till he reached his ~~place of abode~~ appointed residence.

(3) As will be seen from the memorial submitted by them, the disciples now pray that the Strength of the escort should be increased to the same number that is allowed to the Swamigalu, and that in other respects also there should be no distinction in the treatment to be accorded to the two sects.

(4) In passing the

~~recent~~ order just
to with the sanction of
Her highness, Govt strictly
followed the order of
1904 which seems to
have been passed after
due deliberation. But
now that the disciples
of the mutt ~~have~~ worst asked
~~for~~ higher honors, I have
asked the Secretary to
send up all papers
duly worked up, so
that the case may be
placed before Her Highness
for his ~~gracious~~ gracious
decision At this stage
I need only remark that
the questions raised are
not free from difficulties
and already the disciples
of the Swamigalu of another ~~from~~ mutt.
~~mutt~~, Viz of the Vyasaraya
mutt of Sosale, whose

who is also expected in Bangalore on the 25th inst. and, have begun to agitate for higher honors than what are accorded to the Swamiyar of that mutt.

The whole question seems to deserve very careful consideration before a decision is reached. I have informed the members of the deputation that their representations will be duly considered and orders would be passed after a careful examination of the question in all its aspects. I have, meanwhile mentioned these facts for the information of His Highness Yours Sincerely -

Submitted to His Highness at once and that thereafter will be
